RI Generations

*A partnership to promote
individualized care for residents of Rhode Island nursing homes!!*

Members of RI Generations are pleased to announce the first **Coffee Exchange** for 2010. We started a series of informal “Idea Exchanges” in 2009 structured around activities and innovations in Rhode Island nursing homes that support person-centered care and services.

This Idea Exchange will focus on **Workplace Practice**. As you know, Workplace Practice (Workforce) refers to all of the activities, procedures, and individuals whose labor and efforts impact on residents. This domain is critical because of the correlation between good jobs and good care.

Orchard View Manor and The Clipper Home have initiated good practices relating to workplace safety and worksite wellness to support their workforce by providing safe and healthy workplaces. Come join us in sharing information on:

How to Develop Employee Safety & Worksite Wellness Programs

Date: **Thursday, March 11, 2010**

Time: 8:00 am - 8:30 am – Light breakfast
8:30 am – 9:30 am – Presentations and discussion

Location: Orchard View Manor
135 Tripps Lane
East Providence, RI 02915

Registration: Call Marie Stoeckel at 401-528-3232 – please leave a message
RE: name of home and number attending

Please stay after the Coffee Exchange and join us for RI Generations monthly meeting.
